## ***Introduction***

In today's fast market and changing trends Daily deals websites have become more popular in the internet market. Daily deals means living with a real connection. We shape life social.

Single platform to discover new things related to every industry like health, travel, food tastes etc. nearby and within your city.

bitFATDeals is a common place which provides attractive options and quality to our members to enhance their experience in seeking a better lifestyle.

New revolution in the cyber world on a single click.

## Front End System Interface

### Key features:

Visitor on this system can view deals specific to cities and their nearby locations. Deals are categorized as

- Main Deal
- All deal list
- Instant Deals
- Upcoming Deals
- Expired Deals

Each deal is displayed category wise by the merchant.

Visitors can sign up to create an account and become a member to purchase their specific deal.

To know more about front end interface, visit at

<http://bitfatdeals.fatbit.com/>

## ***Back End System Interface***

### **Key features:**

- Administration Rights.
- CMS system feature.
- Deal management feature.
- Database backup feature.
- Creation of multiple administration account with different rights/privileges feature.
- Dual language interface.

## ***System/Server Requirements***

- MySQL database: 5.0 or newer.
- Payment modes configured: PayPal and Authorize.net.
- PHP Compatibility: Version 5.3.3-1ubuntu9.10.
- System: Linux max-server 2.6.35-31, server API: Apache 2.0, OS: Linux x86, x86-64.

## Features In Detail

### Functional and ecommerce feature

#### Admin Rights:

- The ability to control the site through an interface, with a secure login, so that an admin can login remotely.
- The ability to create multiple admin accounts with different rights / privileges.
- The ability for an admin to create a new 'Deal' for the category for which they have permission.
- The ability to specify a start date / time, ending date / time, minimum purchase requirements, maximum purchase requirements, and the key terms and conditions (cost per coupon etc.)
- The ability to view all members, their contact details, and coupons purchased.
- In admin section when a new user is set up with different rights, he will have only a limited access based on permissions assigned by admin.

### CMS System feature

- Managing content on the pages of the website.
- Managing navigational links on the website.
- Managing the images of the inner pages.
- Adding/removing pages to the website.
- Uploading videos gallery/ image gallery in FAQ section of the website.
- Managing different types of commission's transitions.
- Adding/removing countries, states and cities.
- Managing other features like blogs management, banner management and conversation with the merchant through system messages.

### User Types of the system

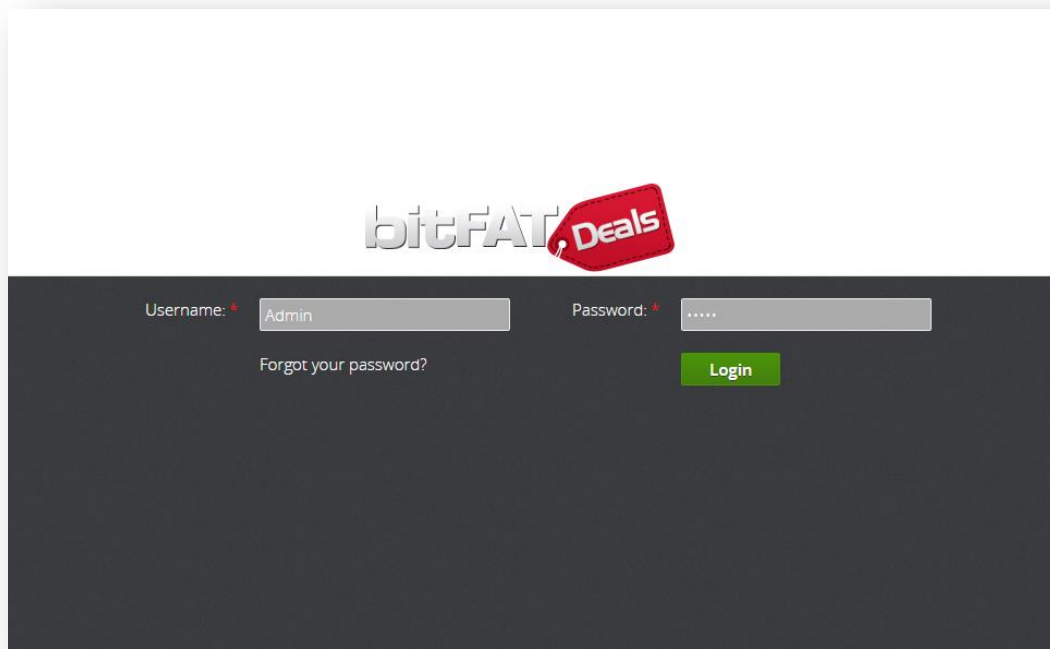

- Administrator as super admin.
- Admin users created by an admin.
- Merchant/company user.
- Representative Users.
- Affiliate Users.

## Admin screen

To have access to backend features user need to visit admin panel: URL:

<http://bitfatdeals.fatbit.com/manager/>

Following are login details for admin:

**Username:** Admin

**Password:** admin

After login next screen is dashboard shown below:

Powered By: FATbit.com

**On dashboard screen:** Admin can see following quick left navigational links:

- Total Coupon
- Today's Purchased Deals
- All Purchased Deals
- Today Expired Deals
- Actual Voucher Purchased Amount

Each tab has related interface with key information on hovering over the respective tab.

There are following sections on the dashboard:

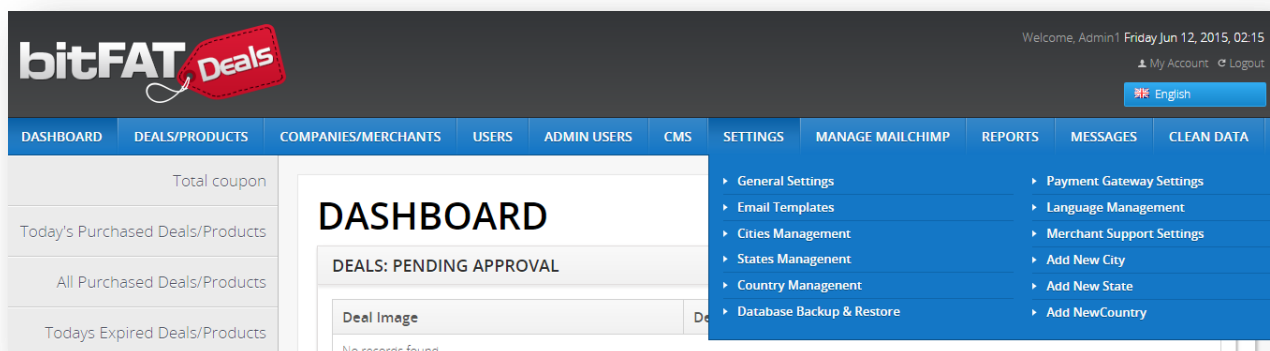

- **Pending approval deals:** Admin can mark a deal status: **Approved/Rejected**, which is added by a particular merchant.
- **Requested cities:** Cities requested by merchant to add in the system.
- **Statistics:** All statistics can be viewed by city wise for today, last 7 days, previous month etc.
- **Review and Ratings**
- **Charity request to add**

A help tool tip is provided against each field like Orders Placed Count, Vouchers Sold etc.

## System settings

An admin first step is to setup system settings. See below screenshot:

On mouse hovering over the settings tab, following links are present:

- General settings
- Email Templates
- Cities Management
- State Management
- Country Management
- Database backup & restore
- Payment Gateway settings
- Language Management
- Merchant Support Settings

**General settings:** This includes various fields like email redirections, mails ending options (Mail or SMTP mail), SSL activation option, Meta information settings, date format, payment mode, currency symbol, Affiliate commission, Referrer commission, logo management, meta information, Google analytic code etc.

All changes made here will reflect to the system.

## Settings:

**Send emails from email Id** – This email address is used for all of your communication with the customers, registered users, merchants, affiliate users and this will show in from the field like the screenshot below:

EMAILS AND SITE INFO	
Send emails from Email ID	<input type="text" value="notification@dummyid.c"/> *

**Email Name From** - This email name is used for all of your communication with the customers, registered users, merchants, affiliate users and this will show in from the field like the screenshot below:

EMAILS AND SITE INFO	
Send emails from Email ID	<input type="text" value="notification@dummyid.c"/> *
Email Name From	<input type="text" value="BitFATDeals"/> *

**Site Owner Email** - All the system related emails will be received on this email address.

**Email Sending Method** – Two methods have been used for sending the emails.

- **Mail** – Emails send through your server
- **SMTP** – Emails send by your SMTP mail server (Below mention settings will be required if you select SMTP option)

**SMTP host** – Enter your SMTP host. For Gmail default SMTP host is smtp.gmail.com. For yahoo & the other SMTP servers, it is different.

**SMTP username** – Enter SMTP username. The username you are using for logging into your SMTP mail account.

**SMTP password** - Enter SMTP password. The password you are using for logging into your SMTP mail account.

**SMTP Port** - Enter your SMTP port. For Gmail default SMTP 465. For yahoo & the other SMTP servers, it is different.

**SMTP Use SSL** – All the emails will be sent over a secured layer, if this option is marked yes.

**SMTP Authentication Required** – System will be verified the SMTP username & password.

**Mobile Version Active** – This option is used to activate & deactivate the mobile version.

**Secondary language** – language added here will be shown as a secondary language in front end.

## PAYMENT SETTINGS:

**Currency Symbol Left** – Enter the currency symbol if you want to display it left. For ex- \$ 34

**Currency Symbol Right** - Enter the currency symbol if you want to display it right. For ex- 34 \$

**Payment Mode** - Test mode is for testing purpose. Production mode means that the payment module transactions are in real use and live.

**Admin Commission Type** - Admin commission have three options in the drop down box.

- **Deal wise:** By choosing this option, admin will receive the commission as mentioned in the deal during adding the deal.
- **City Wise:** By choosing this option, admin will receive the commission, which is set during adding a new city. If this option is selected, admin will receive commission only when a deal under that city is purchased.

- **Merchant wise:** By choosing this option, admin will receive the commission, which sets during adding a merchant. Under this case commission will received only when the deal of that particular merchant is purchased.

**Currency Code** (as sent to the payment gateway. Please check transactions after update.) - Enter the currency, which you want to display on the website.

**Success Page Paypal/Authorized.net** – Message, You want to show to users. When they will purchase a deal.

**Success Page Paypal/Authorized.net** (Secondary language) - Secondary language success message.

## GENERAL SETTINGS

**Deal Purchase Notifications** – Checked members will receive an email, when a deal is purchased.

Admin can also add multiple email ID's

The screenshot shows the 'GENERAL SETTINGS' form. Under the 'Deal Purchase Notifications' section, there are three checkboxes: 'Users', 'Merchant', and 'Admin', all of which are checked. Below these checkboxes is a text input field labeled 'Others (Enter comma separated email addresses.)'.

**Default value for all notifications** – Comments Need Approval – Blog comments will be posted on the website without approval, if this option is marked no. Blog comments need an admin approval if this option is marked yes.

This screenshot shows the same 'GENERAL SETTINGS' form as above, but with an additional section at the bottom. A red box highlights the 'Default value for all notifications' label and a dropdown menu that is currently set to 'Yes'.

**Friendly URL** – Choose yes, for friendly URL (SEO friendly).

**SSL Active** – Choose yes for to activate SSL. All the payments will be processed over a secure layer.

Note: – Please add the SSL security certificate on the server. Otherwise the system will show an error.

**Allow Direct Browsing** – It is used to show a default city to user (A city which have maximum number of deals).

**Reviews Section for deals** – Users will be able to post the reviews for deals, if this option is marked yes. Reviews section will not be visible on choosing the no option.

**Reviews Section for Merchants** – Users will be able to post the reviews for a merchant, if this option is marked yes. Reviews section will not be visible on choosing the no option.

**Which Users Can Post Review For Deals** – Review posting authority is manageable from this field.

Which Users Can Post Review For Deals	All logged in users ▼
Which Users Can Post Review For Merchant	All logged in users ▼

- Choosing the **all logged in user means**; all logged in user can post the reviews on deals. Whether they have purchased the voucher for that particular deal or not.
- Who has purchased the voucher for this deal, only that user can post the review, which has purchased the voucher for that deal.

**Which users can Post Review For Merchant** - Choosing the all logged in user means, all logged in user can post the reviews on deals. Whether they have purchased the voucher for that particular merchant or not. Who has purchased the voucher from this merchant, only that user can post the review, which has purchased the voucher from that merchant.

**Repost Voucher start date** – This is a deal voucher repost start date. Means when you repost a deal, system used the selected option for voucher start date.

For example – repost deal start date is 14 may and ending date is 20 may. If deal start date option is selected by the admin, then system will show the 14 may start date for reposted deal voucher.

If deal end date option is selected by the admin, then system will show the deal end date as starting date for reposted deal voucher. i.e 20 may.

**Number of Days to be added in Voucher End Date** – Deal end time + specified days will be added in the reposted deal voucher end date

## How to distribute commission among different users:

### For Affiliate user

Affiliate user gets mentioned commission, on each purchase made by the user refer by that particular affiliate. How much commission will affiliate received on deal purchased?

This will be defined by Admin while making the affiliate use

AFFILIATE	
First Name *	<input type="text"/>
Last Name	<input type="text"/>
Business Name *	<input type="text"/>
Address Line 1 *	<input type="text"/>
Address Line 2	<input type="text"/>
Address Line 3	<input type="text"/>
Country *	<input type="text" value="Afghanistan"/>
State	<input type="text" value="Select"/>
City *	<input type="text"/>
Affiliate Commission:(%) *	<input type="text"/>

Now the earned commission is shown in affiliate account and in manager area. In manger end its shown under:

**Users > Affiliate users > Commission Earnings > List View.**

Here in list view admin can see the commission earning by affiliate and admin can pay to affiliate user.

Users Affiliate Commission Earnings

### COMMISSION EARNINGS

From: 13-05-2015

Till: 12-06-2015

Search Clear Search

### AFFILIATE

Date	Deal Name	Commission Earnings	Sales
26-05-2015	Online Nutritional Therapist Certification	\$1.78	\$890.00
25-05-2015	Oversized White Shirt / Off Shoulder White Shirt / Long Sleeved Cotton Shirt / Button-down Asymmetrical Shirt by Arya Sense	\$3.02	\$0.00

## For Merchant User

When a deal is successfully purchased by a user and user used his/her coupon. Then merchant can change the coupon status to mark used. Please find below the screen:

Under Voucher Status MARK USED\* Specify the coupon purchased from the instant deal and Used\* specify the payment is captured. we recommend after mark use please capture the payment with in 3 days from the order placed.

S.N	User Name	Voucher Code	Order Id	Email Address	Quantity	Ordered Date	Gifted To Friend	Payment Status	Shipping Status	Voucher Status
1	Meenu	G1429011487932379	G142901148793	mini@dummyid.com	1	14-04-2015 17:08		Paid		MARK USED VOUCHER DETAIL
2	harry	G1429011232767268	G142901123276	harry89037@dummyid.com	1	14-04-2015 17:03	all users	Paid		MARK USED VOUCHER DETAIL

Now Admin will deduct his commission and bonus from that particular purchased deal (and charity amount if added for that particular deal) and give the rest of deal amount to merchant.

- Admin can add/set commission while adding a deal.
- If merchant adds a deal, then admin can add his commission, when deal comes for admin approval by editing that deal.

First Step ✓	Location ✓	Voucher Settings ✓	Categories ✓	SEO ✓	Charity & Commission ✓	Display Settings ✓
Name	Restaurant deals *					
Deal Sub-title	Food Deals *					
Deal Or Product	Deal ▼

Settings General Settings

#### EMAILS AND SITE INFO

Send emails from Email ID	notification@dummyid.c *
Email Name From (not an email address)	BitFATDeals *
Site Owner Email	notification@dummyid.c *
Site Name	BitFATDeals *
Server Name	bitfat2014.4demo.biz/
Email Sending Method	Mail ▼
SMTP host	smtp.gmail.com
SMTP username	login@dummyid.com
SMTP password	.....
Smtp Port	465
Smtp Use Ssl	Yes ▼
Smtp Authentication Required	Yes ▼
Mobile Version Active	Yes ▼
Secondary language	Spanish
Mandrill Api Key	*****

Here admin can select and manage different options related to Emails which are shooting by the system. Admin can manage the site owner email ID, send mails from email ID, site name, server name etc.

Admin can set the option for sending the method for the emails through simple Mail or through SMTP. Admin can also set that SMTP will use SSL or not by selecting the option as SMTP Use SSL

## Payment Settings

Admin can manage all the options related to Payment module from these settings.

PAYMENT SETTINGS	
Currency Symbol Left	\$ <input type="text"/>
Currency Symbol Right	<input type="text"/>
Payment Mode	Test Mode ▼
Admin Commission Type	Deal Wise ▼ *
Currency Code (as sent to payment gateway. Please check transactions after update.)	USD *
Success Page Paypal/Authorized.net	Payment successful. Thanks for your <input type="text"/>
Success Page Paypal/Authorized.net (Secondary language)	Condiciones de exito. Gracias por su <input type="text"/>

Admin can set the currency symbol used for the payments. Admin can set the payment mode. Admin can set the success message of purchasing a deal when purchased via wallet.

- Test mode means that payment module is in Test mode.
- Production mode means that the payment module transactions are in real use and live.

Admin commission type has three options in dropdown box.

**Deal wise:** By choosing this option, admin will receive the commission as mentioned in the deal during add deal steps.

**City Wise:** By choosing this option, admin will receive the commission which is set during add a new city. If this option is selected, admin will receive commission only when a deal under that city is purchased.

**Merchant wise:** By choosing this option, admin will receive the commission which set during add a merchant. Under this case commission will received only when the deal of that particular merchant is purchased.

**Meta settings, Social sites Link and Third party API secrets:**

META SETTINGS	
Meta Title	<input type="text" value="BitFATDeals"/>
Meta keywords	<input type="text" value="BitFATDeals"/>
Meta description	<input type="text" value="BitFATDeals"/>

SOCIAL SITES LINK	
Twitter Username	<input type="text" value="http://www.twitter.com/"/>
Facebook url	<input type="text" value="http://facebook.com"/>
Youtube url	<input type="text" value="http://youtube.com"/>

THIRD PARTY API SECRETS	
facebook Api key for login	<input type="text" value="834203443288461"/>
facebook secret key for login	<input type="text" value="e85c1bd56bfc646c514"/>
Facebook Api Key For Login Mobile	<input type="text" value="834203443288461"/>
Facebook Secret Key For Login Mobile	<input type="text" value="e85c1bd56bfc646c514"/>

**Meta settings:** Here admin can manage the Meta keywords, title and description. This information is very useful for SEO purpose.

**Social Sites Links:** Redirection regarding the social networking icons implemented on the front end of the system can be managed from here.

**Third Party Secrets:** Facebook keys for the proper functioning of login via Facebook account can be managed from these setting

## Logo Settings:

**LOGO SETTINGS**

Select Front End Logo	<div>Choose file   No file chosen</div> <div>( Size should be 284 X 84 for best result )</div>
	<div> DELETE</div>
Select Admin Panel Logo	<div>Choose file   No file chosen</div>
	<div> DELETE</div>
Select Email Logo	<div>Choose file   No file chosen</div>
	<div> DELETE</div>

Admin can manage the website logo from here. Admin can upload the logo for admin end, front end as well as for email templates from these settings.

Admin can set various settings like date format, Time zone, SSL activation on website from here.

Admin can also manage the reviews section of the front end by the options mentioned in these settings. System will function in the front end as options selected in these settings.

Refer commission for admin is also managed from here.

Admin can set the listings of vouchers for which payment is still pending to given to the merchant. For e.g. If used option is ticked mark, it means only used vouchers will list to admin for which he still has to release payment to merchant.

## Email Templates

This includes various email templates management which is sent to subscribers/customers for each event of a deal. Various actions like edit, preview and send email on/off can be performed by administrator for a particular template. See below screen:

English Columbus Spanish colmbus		Ohio	United States	EDIT DELETE THINGS TO DO

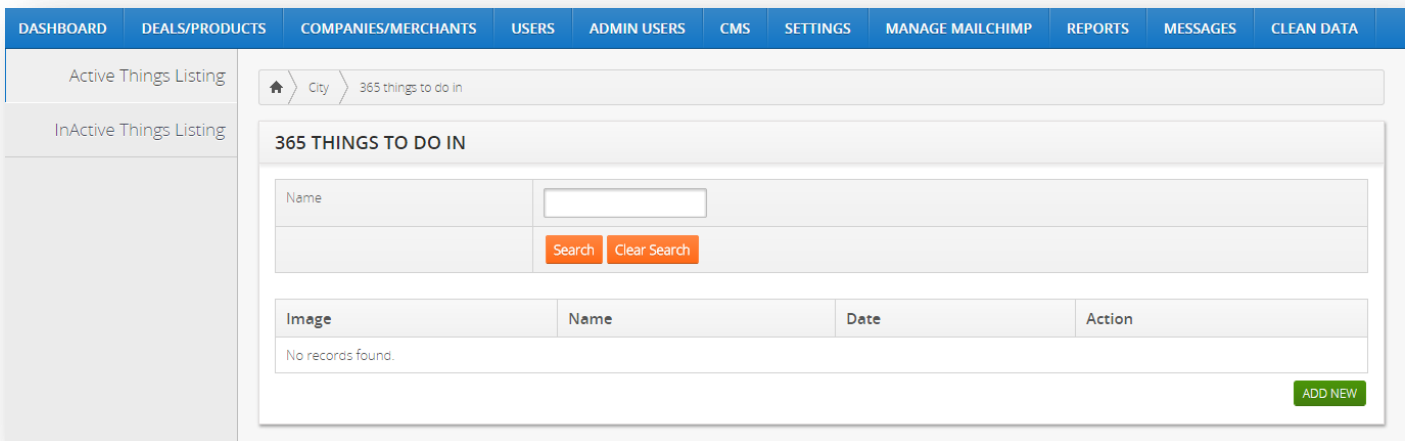

Search feature is provided and various edit, delete and things to do options are listed against each city record.

**Add new** button is provided at the bottom to add a new city.

Left panel shows city categorization based on status like **active city listing** which are displayed by default, inactive city listing, deleted city listing and requested city listing.

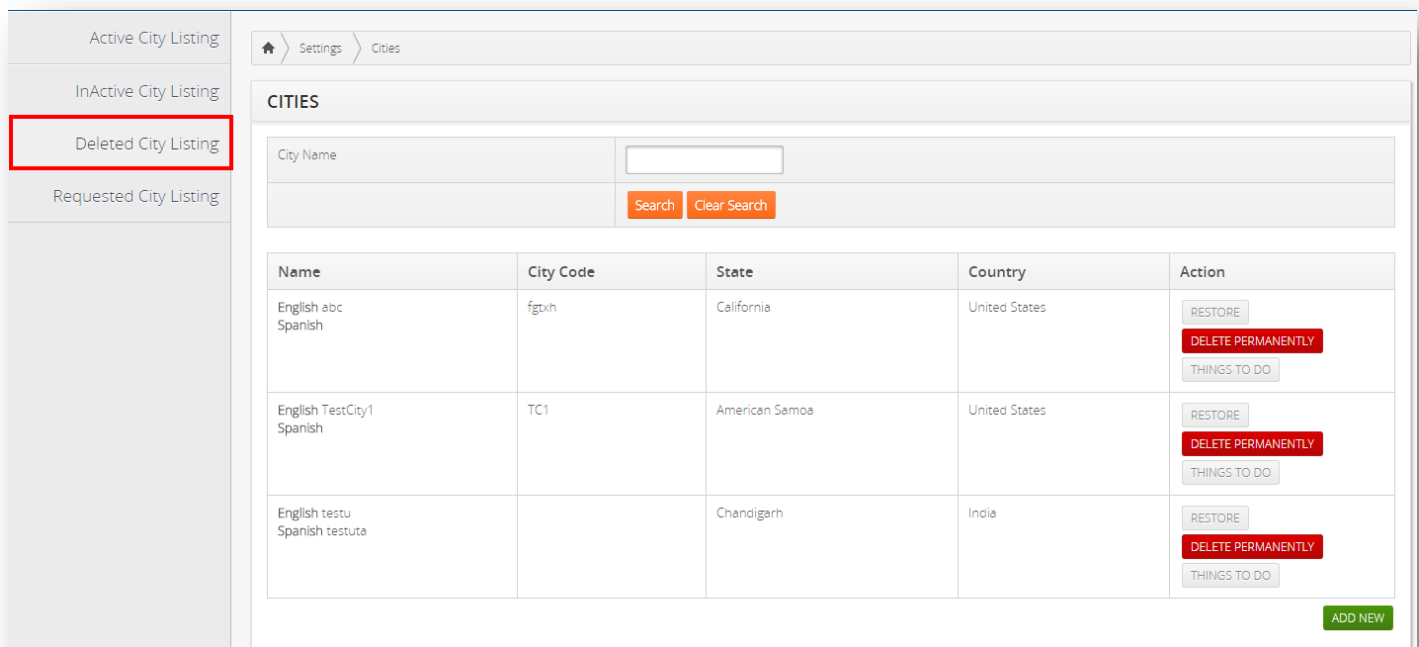

**Things to do button** shows various things, which can be listed by added new things under each city

Left navigational panel shows following options based on their status level:

- **Active Things Listing**
- **InActive Things Listing**

**On main cities screen, on clicking left navigational tab named: Deleted City Listing, below screen is displayed:**

**Requested City Listing:** On clicking this tab, cities requested for approval or disapproval are listed. See below screenshot:

## Merchant Support Settings

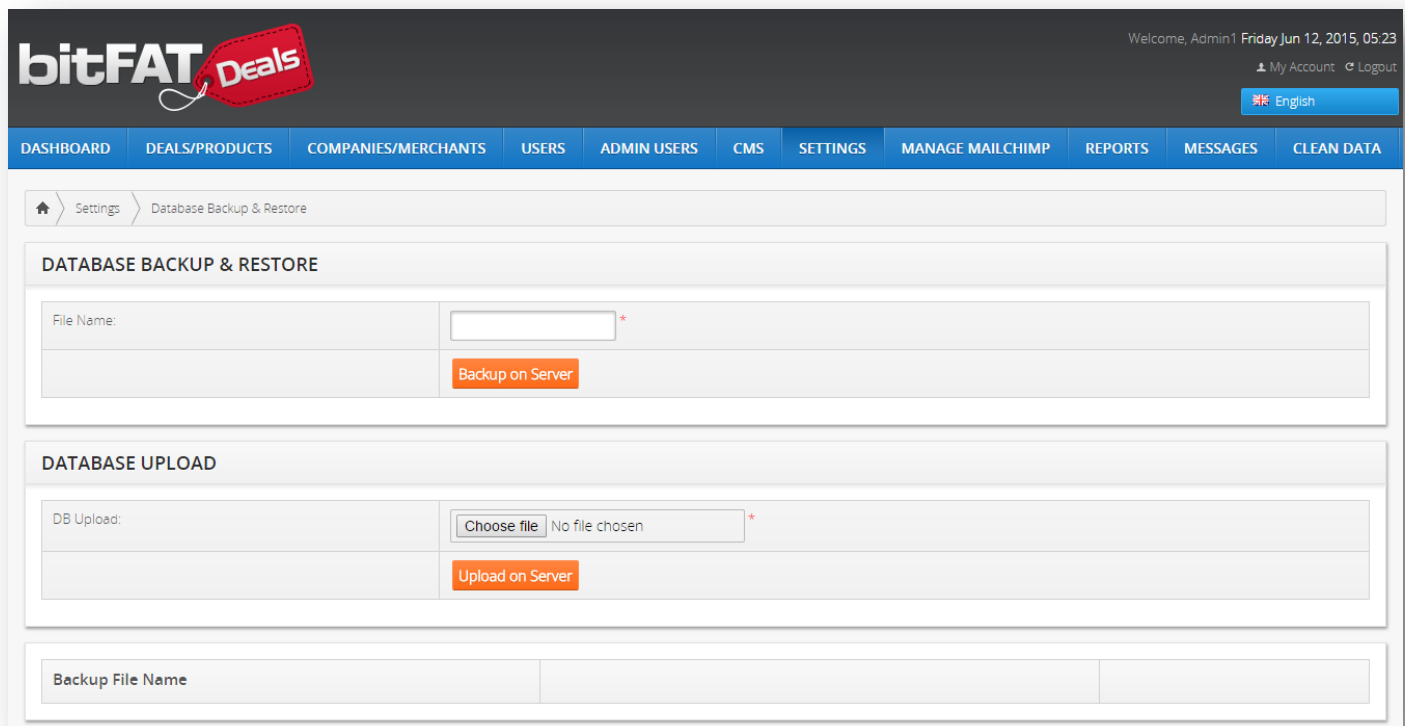

Admin can manage the receivers (Admin users) of notifications of messages which are posted by merchant.

The screenshot shows the 'Merchant Support Settings' page in the bitFAT Deals admin interface. The top navigation bar includes links for DASHBOARD, DEALS/PRODUCTS, COMPANIES/MERCHANTS, USERS, ADMIN USERS, CMS, SETTINGS, MANAGE MAILCHIMP, REPORTS, MESSAGES, and CLEAN DATA. The 'SETTINGS' link is active. The page title is 'Merchant Support Settings'. Below the title, there is a section labeled 'MERCHANT SUPPORT SETTINGS'. It contains a single setting: 'Notify users of new posts by the Merchants' with a checkbox that is currently unchecked. An 'Update' button is located to the right of the checkbox.

## Database Backup & Restore

This include various actions like administrator can take backup of already existing file and can also upload Database file on the server. See below screen:

The screenshot shows the 'Database Backup & Restore' page in the bitFAT Deals admin interface. The top navigation bar is the same as the previous page. The page title is 'Database Backup & Restore'. Below the title, there are two main sections: 'DATABASE BACKUP & RESTORE' and 'DATABASE UPLOAD'. The 'DATABASE BACKUP & RESTORE' section has a 'File Name:' label and a text input field with a red asterisk. Below the input field is a 'Backup on Server' button. The 'DATABASE UPLOAD' section has a 'DB Upload:' label and a 'Choose file' button next to the text 'No file chosen' with a red asterisk. Below this is an 'Upload on Server' button. At the bottom of the page, there is a table with one row and one column labeled 'Backup File Name'.

Various action buttons are listed like download database, restore database and delete against each backup file.

Admin can create file name on the server by clicking button named: backup on server, a file gets listed, which can be downloaded or restore. If a particular file after downloading on computer and then user delete that particular file from the listing records by clicking on delete button, then same file can be uploaded while choosing following options:

**Database upload:** This can be uploaded on the server.

Restore database button also functions similar to uploading a file on the server.

### Payment Gateway Settings:

Administrator can set payment gateway information by clicking on this link. See below screen for various field options:

The screenshot displays the bitFAT Deals admin dashboard. The top navigation bar includes links for DASHBOARD, DEALS/PRODUCTS, COMPANIES/MERCHANTS, USERS, ADMIN USERS, CMS, SETTINGS, MANAGE MAILCHIMP, REPORTS, MESSAGES, and CLEAN DATA. The left sidebar lists General Settings, Payment Gateway Settings (selected), Email Templates, Language Management, Cities Management, and Database Backup & Restore. The main content area is titled 'PAYMENT SETTINGS' and contains three sections: PayPal Settings, Authorize.net Settings, and Cjm Settings. Each section has an 'Enable' dropdown menu and input fields for 'Merchant' or 'Login ID' and 'Transaction Key'. An 'Update' button is located at the bottom right of the settings area.

PAYMENT SETTINGS	
Paypal Settings	
Enable:	<input type="text" value="Enable"/>
Merchant Paypal Email Address	<input type="text"/>
Authorize.net Settings	
Enable:	<input type="text" value="Enable"/>
Login ID:	<input type="text"/>
Transaction Key	<input type="text"/>
Cjm Settings	
Enable:	<input type="text" value="Enable"/>
Login ID:	<input type="text"/>
Transaction Key	<input type="text"/>
<input type="button" value="Update"/>	

## Language Management:

This tab shows dual language text to be entered for each tab of front end interface. Presently English language and Spanish language files are incorporated. See below screen:

The screenshot shows the bitFAT Deals admin interface. The top navigation bar includes links for DASHBOARD, DEALS/PRODUCTS, COMPANIES/MERCHANTS, USERS, ADMIN USERS, CMS, SETTINGS, MANAGE MAILCHIMP, REPORTS, MESSAGES, and CLEAN DATA. The sidebar on the left contains links for General Settings, Payment Gateway Settings, Email Templates, Language Management (highlighted), Cities Management, and Database Backup & Restore. The main content area is titled 'Settings > Language Management' and features a search bar and a 'LANGUAGE SETTINGS' section. The 'LANGUAGE SETTINGS' section includes a 'Select Default Language' dropdown (set to English), a 'Select Display Size' dropdown (set to 0-24), and a table for managing dual language text.

Sr No.	English	Spanish
1	Not In	Not In

ADD NEW

Banners are displaying on the products main page and product listing page. Please find below screenshot of products main page:

On click “**Edit**” button it will redirect to the edit banner page. On this page you can edit the position, image, link and target of banner. Please see below screenshot:

The screenshot shows the 'Banner Management' form in the Groupon script interface. The top navigation bar includes links for DASHBOARD, DEALS/PRODUCTS, COMPANIES/MERCHANTS, USERS, ADMIN USERS, CMS, SETTINGS, MANAGE MAILCHIMP, REPORTS, MESSAGES, and CLEAN DATA. The breadcrumb trail shows 'Cms > Banner Management'. Below the breadcrumb is a 'SYSTEM MESSAGES' section with a green message: 'Change the values and submit.' and a 'HIDE' button. The main form is titled 'BANNER MANAGEMENT' and contains the following fields:

Banner Type	Left
Banner Size	275x135
Image	Choose file   No file chosen
Link	http://bitfat2014.4demc *
target	Select
<b>Submit</b>	

We have following positions for banners:

- Main banner
- Left banner
- Bottom banner
- Offers

**Main Banner** will display after the top menu on products main page.

**Left banner** will display under the categories section in left panel.

**Bottom banner** will display below the main banner.

**Offers** are not banners actually, they are kind of pop up which will display after a specific period of time on deals and products page.

**Navigations Management:** Navigations on the website can be categorized into various sections. See below screen:

## Users

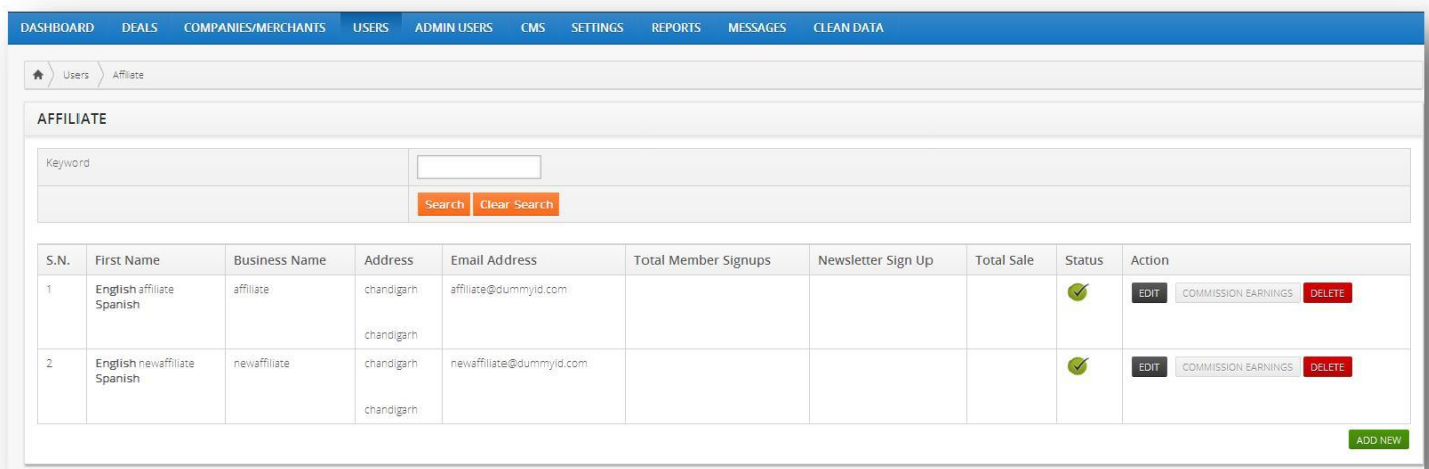

User's management involves managing of new users like:

- Registered Users.
- Representative users.
- Affiliate Users.

See below screen which gets displayed on mouse hovering on Users tab.

**Affiliate Users:** On clicking this link, below screen gets displayed:

Here administrator can view commission earnings of a particular affiliate. He can view **Total Member Signups** through a particular affiliate by clicking on link here it is 3 under column named: Total Member Signups. See below screen:

The screenshot displays the bitFAT Deals administrator dashboard. The top navigation bar includes links for DASHBOARD, DEALS, COMPANIES/MERCHANTS, USERS, ADMIN USERS, CMS, SETTINGS, REPORTS, MESSAGES, and CLEAN DATA. The 'USERS' section is active, showing a breadcrumb trail: Users > Registered Users. The main content area is titled 'REGISTERED USERS LISTING' and features a search bar with a 'Search' button and a 'Clear Search' button. Below the search bar is a table listing registered users with columns for First Name, Email Address, Date, Wallet Amount, Referred By, Status, Email verified successfully, and Action. The table contains three rows of user data. The 'Action' column for each row includes 'DELETE USER' and 'CHANGE PASSWORD' buttons. The footer of the page includes a note about server time and the text 'Powered By: FATbit.com'.

First Name	Email Address	Date	Wallet Amount	Referred By	Status	Email verified successfully.	Action
sam	sam@dummyid.com	30-01-2013 18:31	\$0.00 <a href="#">View Wallet</a> <a href="#">ADD TRANSACTION</a>	Test		NO	<a href="#">DELETE USER</a> <a href="#">CHANGE PASSWORD</a>
kim	kim@dummyid.com	30-01-2013 17:14	\$0.00 <a href="#">View Wallet</a> <a href="#">ADD TRANSACTION</a>	---		YES	<a href="#">DELETE USER</a> <a href="#">CHANGE PASSWORD</a>
Test	test@dummyid.com	30-01-2013 13:30	\$100.00 <a href="#">View Wallet</a> <a href="#">ADD TRANSACTION</a>	---		YES	<a href="#">DELETE USER</a> <a href="#">CHANGE PASSWORD</a>

Here various members associated through one affiliate user are shown with various actions like delete user.

Basic keyword based search is provided to search for a particular user.

Administrator can also view total sale through members referred by a particular affiliate by clicking on link **say \$320.00** under column named: Total Sale.

Date	Sign Ups	Newsletter Sign Up	Affiliate Clicks	Sales
23-05-2015	0	0	0	\$89
26-05-2015	0	0	0	\$968
Total	0	0	0	\$1,057.00

There is a pay now link with grand total of commission Earnings. Administrator can click on **Pay Now** link to pay instantly to affiliate wallet.

Total commissions earnings' history can be viewed by clicking on the total amount say **\$6.40** and then next screen gets displayed:

S N	Particulars	Credit	Debit	Balance	Date
1	Affiliate Commission For: Nishant Gupta	\$4.00	\$0.00	\$4.00	19-03-2012 00:00
2	Affiliate Commission For: Nishant Gupta	\$2.40	\$0.00	\$0.00	19-03-2012 00:00
3	Pay By the Admin	\$0.00	\$2.40	\$-2.40	19-03-2012 00:00

Here affiliate history is shown.

**Both options:** summary view and list view are provided as for presentation structure.

**Representative Users:** Representative users are the users which represents a company. Admin can add the representatives by clicking on add new button. Admin has to enter the required fields as well as the commission which will be given to representative. Admin have to make the account active once a new representative is added. Admin can manage the status of representative active or inactive.

- Total sales column will show the sales that have been made by the companies which are registered through the representative user.
- Admin can manage the transaction of the representative by clicking on add transaction and transaction history will shows the past transactions.

Admin can pay charity to charity organization set by the merchant via clicking on pay now link. See below screen:

The screenshot shows a web application interface with a blue navigation bar at the top containing links: DASHBOARD, DEALS, COMPANIES/MERCHANTS, USERS, ADMIN USERS, CMS, SETTINGS, REPORTS, MESSAGES, and CLEAN DATA. Below the navigation bar is a breadcrumb trail: Home > Charity > Charity History. The main content area is titled 'PAY TO CHARITY' and contains a form with two input fields: 'Amount' (containing '1000') and 'Particulars' (empty). Both fields have a red asterisk indicating they are required. A red 'Submit' button is located at the bottom right of the form.

PAY TO CHARITY	
Amount	<input type="text" value="1000"/>
Particulars	<input type="text"/>
<input type="button" value="Submit"/>	

On submit of a button, email goes to charity organization's email address and it is between merchant and administrator how charity money is credited to organization.

**Registered Users:** On this link, all the registered user's listing is shown. See below screen:

The screenshot displays the bitFAT Deals Admin Dashboard. The top navigation bar includes links for DASHBOARD, DEALS, COMPANIES/MERCHANTS, USERS, ADMIN USERS, CMS, SETTINGS, REPORTS, MESSAGES, and CLEAN DATA. The left sidebar contains links for Active Users Listing, InActive Users Listing, and Deleted Users Listing. The main content area is titled 'REGISTERED USERS LISTING' and features a search bar with a 'Search' button and a 'Clear Search' button. Below the search bar is a table listing registered users with columns for First Name, Email Address, Date, Wallet Amount, Referred By, Status, Email verified successfully, and Action.

First Name	Email Address	Date	Wallet Amount	Referred By	Status	Email verified successfully.	Action

Note: All the times are according to server time. Current server time is 2014-10-27 04:57:00

Powered By: FATbit.com

- Various options like active users listing, deleted users listing etc. are provided. By default all users are listed.
- Administrator can edit wallet of a registered user and can also check email verified status once account is created by the registered user.
- Other options like search, change password, delete are listed

**Deleted Users Listing:** See below screen:

The screenshot shows the 'Deleted Users Listing' page. The left sidebar has three options: 'Active Users Listing', 'InActive Users Listing', and 'Deleted Users Listing' (which is selected). The main content area has a breadcrumb trail: 'Users > Registered Users'. Below this is a section titled 'REGISTERED USERS LISTING'. It contains a search bar with a 'Keyword' label and a text input field. Below the search bar are two buttons: 'Search' and 'Clear Search'. Below the search bar is a table with the following columns: 'First Name', 'Email Address', 'Date', 'Wallet Amount', 'Referred By', 'Status', 'Email verified successfully.', and 'Action'. The table has one row with the following data: 'sam', 'sam@dummysid.com', '30-01-2013 18:31', '\$0.00' (with a 'View Wallet' link), 'Test', a red circle status icon, 'NO', and an 'Action' column with three buttons: 'DELETE PERMANENTLY' (red), 'RESTORE USER' (grey), and 'CHANGE PASSWORD' (grey). Below the 'Wallet Amount' column, there is an 'ADD TRANSACTION' button.

First Name	Email Address	Date	Wallet Amount	Referred By	Status	Email verified successfully.	Action
sam	sam@dummysid.com	30-01-2013 18:31	\$0.00 <a href="#">View Wallet</a>	Test		NO	<a href="#">DELETE PERMANENTLY</a> <a href="#">RESTORE USER</a> <a href="#">CHANGE PASSWORD</a>

Deleted user can be restore or permanently delete.

### Import Newsletters Subscribers:

Subscribers list can be imported into the system by using import feature. See below screen:

The screenshot shows the 'Import Subscribers' page. The left sidebar has the same three options as the previous screen. The main content area has a breadcrumb trail: 'Users > Subscribers'. Below this is a section titled 'IMPORT SUBSCRIBERS'. It contains a form with two rows. The first row has a label 'Subscribers CSV File' and a 'Choose File' button next to the text 'No file chosen'. The second row has a label 'Please Select Your City' and a dropdown menu with 'Akron / Canton' selected. Below the form is a 'Submit' button.

Subscribers CSV File	<a href="#">Choose File</a> No file chosen
Please Select Your City	<a href="#">Akron / Canton</a>

## Promotion Newsletters Subscribers:

The screenshot shows the bitFAT Deals admin interface. The top navigation bar includes links for DASHBOARD, DEALS, COMPANIES/MERCHANTS, USERS, ADMIN USERS, CMS, SETTINGS, REPORTS, MESSAGES, and CLEAN DATA. The 'USERS' section is expanded, showing 'Subscribers'.

The 'SUBSCRIBERS LISTING' section contains a search form with the following fields:

- Email Address:
- Please Select Your City:

Below the search form are two buttons: [Search](#) and [Clear Search](#).

There are two green buttons for downloading the list: [DOWNLOAD SELECTED LIST](#) and [DOWNLOAD COMPLETE LIST](#).

<input type="checkbox"/>	Email Address	City	Added On	Action
<input type="checkbox"/>	test@dummyid.com	Canterbury	30-01-2013 18:10	<a href="#">DELETE</a>
<input type="checkbox"/>	subs_test@dummyid.com	Atlanta	29-01-2013 20:23	<a href="#">DELETE</a>

Note: All the times are according to server time. Current server time is 2014-09-16 10:10:00

Powered By: FATbit.com

- Administrator can select subscribers based on email address and city.
- Can also download complete list and selected list after selecting specific records in **CSV format**. Basic operation like delete is provided.

**Download Sample Newsletter Subscribers:** Admin can download a sample newsletter from here in CSV format.

**Business Referral download CSV:** Here admin can download the business referrals listings of the users which are interested to join the business as a merchant.

## Companies/ Merchants

**Companies List:** This includes the listings of company with all the information related to the company.

Admin can add a new company/merchant by clicking on add new button. Also admin can change the status of the company and can edit the information

## Deal Management Feature

- The ability to create separate 'Deals' or coupons for each category.
- The ability to set a maximum of the number of coupons that can be sold (a) in aggregate; and (b) to any one member.
  - o **For aggregate:** If the Aggregate Coupons limit (Deal Total Capacity) is reached before the deal closes, nobody can purchase any more where as
  - o **For any one member:** If limit defined for a user to buy a particular deal is reached then that particular member cannot purchase that deal any more.
- The ability to set a minimum number of coupons that need to be sold before the 'Deal' becomes available.
- On the side, the ability to post a 'Bonus Deal' or 'Side Deal'.
- Each coupon have following fields: ID Number; Price Paid (by the member); Coupon Value; Short Description; Logo; Address of the Business; Key Terms & Conditions (expiry date etc.)
- For each 'Deal', a discussion page in which members can ask questions about the 'Deal' and an administrator can login and answer questions for all members to see.
- Featured deal as main deal on a page along with description, and peer reviews below the description.
- Deals/Deal Categories from admin panel can be set easily:

Mouse hover on "Deals" in order to view following options about deals management:

- Deals list,
- Deal Categories
- All vouchers
- Add New Deal and
- Add New Deal Category
- Reviews and Ratings

**Deals List:** Shows following type of deals:

- Active Deals
- Expired Deals
- Upcoming Deals
- Un-approved Deals
- Rejected
- Cancelled
- Minimum one coupon sold and
- Incomplete Deals.

See below screen related to **Deals List**:

The screenshot displays the bitFAT Deals Admin Dashboard. The top navigation bar includes links for DASHBOARD, DEALS, COMPANIES/MERCHANTS, USERS, ADMIN USERS, CMS, SETTINGS, REPORTS, MESSAGES, and CLEAN DATA. The sidebar on the left lists various deal statuses: Active Deals, Expired Deals, Upcoming Deals, Unapproved Deals, Rejected Deals, Cancelled Deals, Minimum one voucher sold, Incomplete Deals, and Unsettled Deals. The main content area is titled 'ACTIVE DEALS' and features a 'DEALS SEARCH' form with fields for Keyword, Company Name, and City Name, along with 'Search' and 'Clear Search' buttons. Below the search form, there are three deal cards, each with an image, a title, a description, and a table of details.

### Description

A dream destination for holidaymakers, has a lot in store besides its pristine beaches. It boasts of several vibrant nightclubs, bars, colonial churches, old museums, temples and sanctuaries that make it a complete vacation destination. While on a holiday here, book a stay at Hotel Windsor Bay, a 3-star

**Edit:** Admin can edit the details of a deal and add his commission before mark a deal as approved.

**Cancel Deal:** Admin can mark a deal as cancel I and it will show under the cancelled deals list.

**Mark Rejected:** Admin can mark a deal as rejected and it will show under the rejected deals list.

**Make Main deal:** Admin can mark a deal as main deal and it show as a main deal on website.

**Expired Deals:** On clicking this tab below screen gets populated. Once a deal expire, it comes under expire deal tab and admin can repost the expire deal but reposted deal will come under active deals in the front end as well as in manager and merchant area. Note that Deal ID will get changed after repost the expired deal, so that system will recognize a deal as a new deal.

The screenshot shows the 'Expired Deals' management interface. The sidebar on the left contains the following tabs: Active Deals/Products, Expired Deals/Products (selected), Upcoming Deals/Products, Unapproved Deals/Products, Rejected Deals/Products, Cancelled Deals/Products, Minimum one voucher sold, Incomplete Deals/Products, and Unsettled Deals/Products. The main header includes a breadcrumb 'Deals' and a button 'ADD DEALS /PRODUCTS'. The 'DEALS SEARCH' section contains the following filters:

- Keyword:
- Company Name:
- City Name:
- Category Name:
- Deal starts on:
- Deal ends on:
- Tipping point:
- Type:

Buttons for 'Search' and 'Clear Search' are located below the filters. The results section shows 'DISPLAYING RECORDS 1 TO 15 OF 55' and a pagination control with links 1, 2, 3, 4. The first record is highlighted, showing the following details:

 <p>Click to Enlarge</p> <p>★★★★★</p>	<p><b>English:</b> samsung galaxy grand 3</p> <p><b>Spanish:</b> Samsung</p> <p>Company: Samsung</p> <p>City: All Cities</p> <p>Deal start on: 01-04-2015 01:28</p> <p>Deal ends on: 01-04-2015 07:00</p> <p>Tipping point: 1</p>	<p>HTML CODE</p> <p>PREVIEW</p> <p>EDIT</p> <p>CANCEL DEAL</p> <p>MARK REJECTED</p> <p>MARK SETTLED</p>

**Minimum one voucher sold:** On clicking this tab below screen gets populated:

The screenshot shows the 'PURCHASED DEALS' section of the Groupon script interface. The left sidebar contains a list of deal statuses: Active Deals/Products, Expired Deals/Products, Upcoming Deals/Products, Unapproved Deals/Products, Rejected Deals/Products, Cancelled Deals/Products, **Minimum one voucher sold**, Incomplete Deals/Products, and Unsettled Deals/Products. The main content area is titled 'PURCHASED DEALS' and includes an 'ADD DEALS /PRODUCTS' button. Below this is a 'DEALS SEARCH' form with fields for Keyword, Company Name (dropdown), City Name (dropdown), Category Name (dropdown), Deal starts on (calendar), Deal ends on (calendar), Tipping point, and Type (dropdown). Search and Clear Search buttons are at the bottom of the form. Below the search form, a table displays deal records. The first record is for a Sony Xperia smartphone, showing details in English and Spanish, company information, deal start/end times, tipping point, and a summary of pricing, sales, charity, vouchers, reviews, and images.

Reviews can be posted by clicking on **ADD NEW** button.

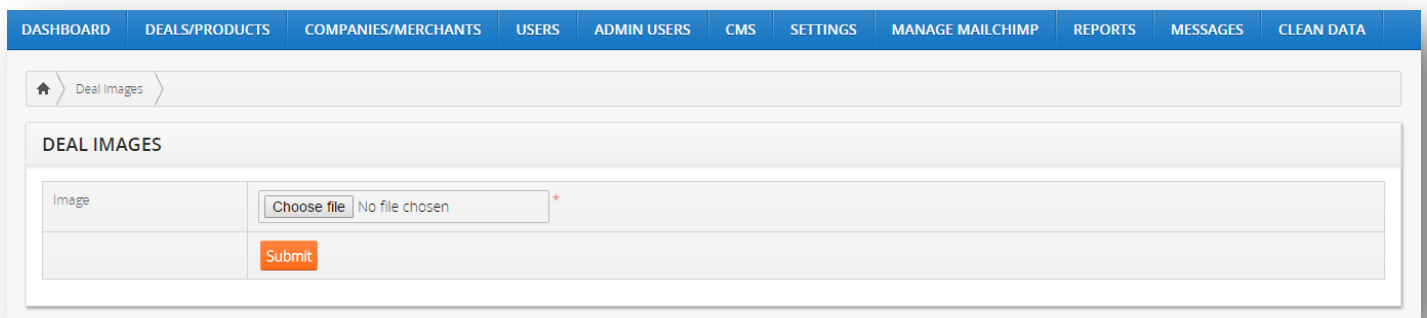

## Manage images:

Administrator can add new images related to a particular deal by clicking on manage images. See below screen:

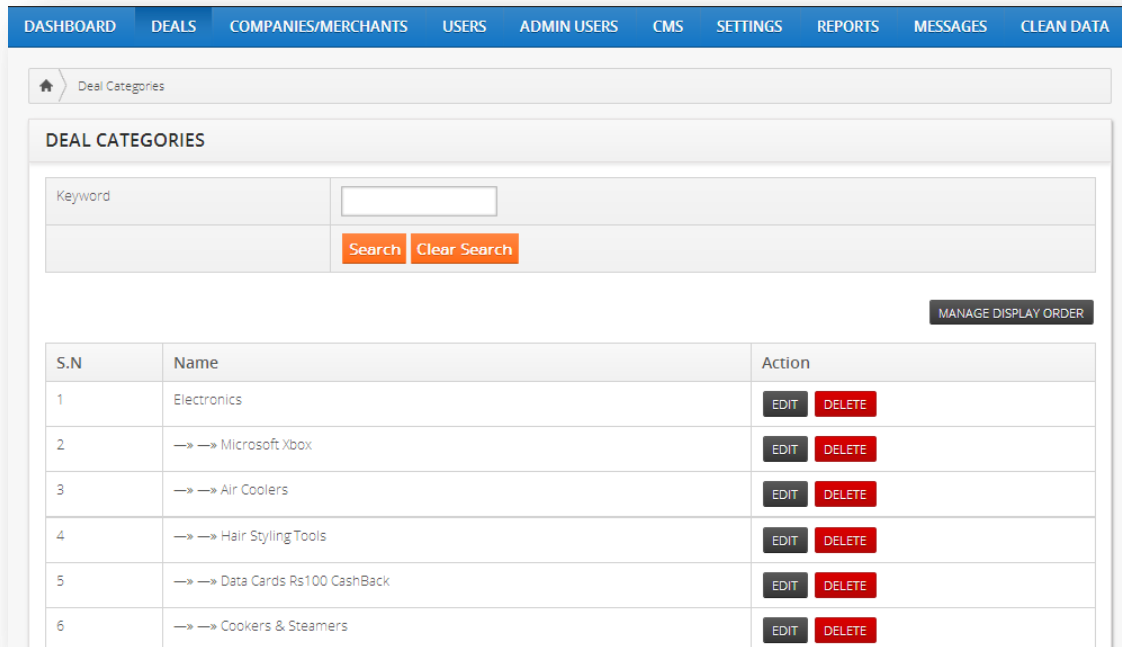

On clicking **ADD NEW** button, images in thumb nail and large image can be uploaded against a particular deal. See below screen:

**Deal Categories:** Deals can be arranged according to category types. See below screen:

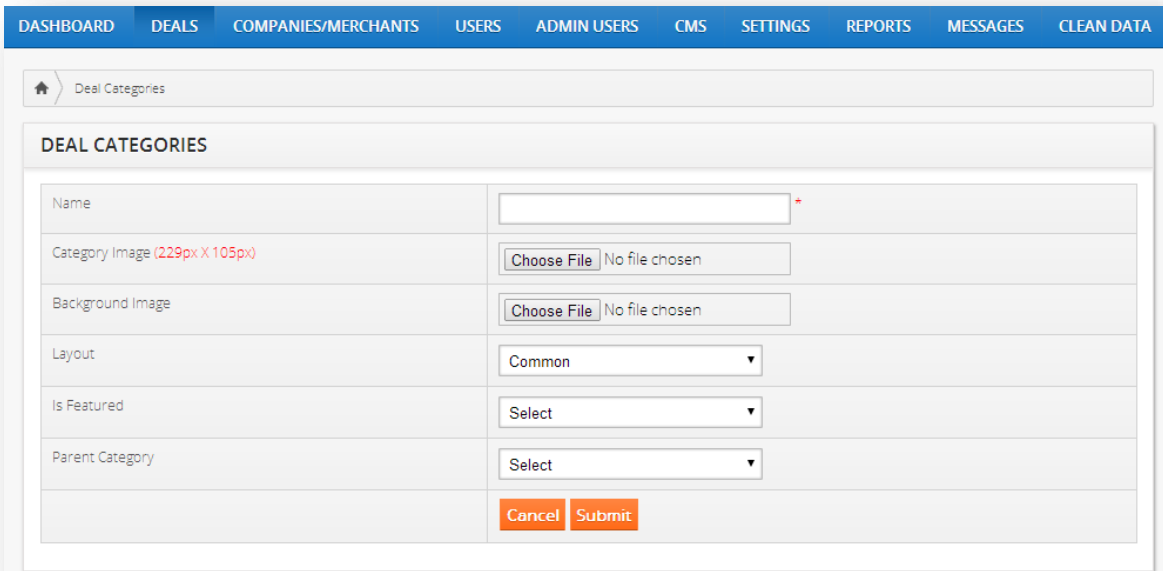

The screenshot shows the 'Deal Categories' management interface. At the top is a navigation bar with links: DASHBOARD, DEALS, COMPANIES/MERCHANTS, USERS, ADMIN USERS, CMS, SETTINGS, REPORTS, MESSAGES, and CLEAN DATA. Below the navigation bar is a breadcrumb trail: Deal Categories. The main section is titled 'DEAL CATEGORIES'. It features a search bar with a 'Keyword' label and a text input field. Below the search bar are two buttons: 'Search' and 'Clear Search'. To the right of the search bar is a button labeled 'MANAGE DISPLAY ORDER'. Below the search bar is a table with the following data:

S.N	Name	Action
1	Electronics	<a href="#">EDIT</a> <a href="#">DELETE</a>
2	→ → Microsoft Xbox	<a href="#">EDIT</a> <a href="#">DELETE</a>
3	→ → Air Coolers	<a href="#">EDIT</a> <a href="#">DELETE</a>
4	→ → Hair Styling Tools	<a href="#">EDIT</a> <a href="#">DELETE</a>
5	→ → Data Cards Rs100 CashBack	<a href="#">EDIT</a> <a href="#">DELETE</a>
6	→ → Cookers & Steamers	<a href="#">EDIT</a> <a href="#">DELETE</a>

Various options like keyword search, edit, delete and add are provided.

On clicking **Add New** button a new category can be added. See below screen:

The screenshot shows the 'Add New Deal Category' form. It has a navigation bar with links: DASHBOARD, DEALS, COMPANIES/MERCHANTS, USERS, ADMIN USERS, CMS, SETTINGS, REPORTS, MESSAGES, and CLEAN DATA. Below the navigation bar is a breadcrumb trail: Deal Categories. The main section is titled 'DEAL CATEGORIES'. The form contains the following fields:

- Name: A text input field with a red asterisk indicating it is required.
- Category Image (229px X 105px): A file upload button labeled 'Choose File' with the text 'No file chosen'.
- Background Image: A file upload button labeled 'Choose File' with the text 'No file chosen'.
- Layout: A dropdown menu with 'Common' selected.
- Is Featured: A dropdown menu with 'Select' selected.
- Parent Category: A dropdown menu with 'Select' selected.

At the bottom of the form are two buttons: 'Cancel' and 'Submit'.

Various features like layout orientation like common and escape are shown. **Is featured** field makes the deal category to appear on the Homepage under the **Featured Deals categories**.

### Approve Comment:

Administrator can review the comments posted by registered users and can mark them approved.

- **All Vouchers:** Admin can see all the vouchers here on this page. Admin can also download the vouchers list in CSV and PDF format. Admin can check the active, used expired and pending vouchers on clicking the concerned tab in the left navigation.
- Against a Voucher code all the information has been displayed. Admin can refund the particular voucher on clicking the refund button.

Admin can also mark the status of the voucher as used on clicking mark used button and can see the details of voucher on clicking Voucher detail button.

## How to pay the deal amount to merchant?

**SOCIAL BUSINESS**  
TECHNOLOGIES

Click to Enlarge

★★★★★

**English: Testing of adding deal**

**Spanish:**  
Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a piece of classical Latin literature from 45 BC, making it over 2000 years old. Richard McClintock, a Latin professor at Hampden-Sydney College in Virginia, looked up one of the more obscure Latin words, consectetur, from a Lorem Ipsum passage, and going through the cites of the word in classical literature, discovered the undoubtable source. Lorem Ipsum comes from sections 1.10.32 and 1.10.33 of "de Finibus Bonorum et Malorum" (The Extremes of Good and Evil) by Cicero, written in 45 BC. This book is a treatise on the theory of ethics, very popular during the Renaissance. The first line of Lorem Ipsum, "Lorem ipsum dolor sit amet..", comes from a line in section 1.10.32.

PAYABLE TO MERCHANT

**DEAL WISE TRANSACTION**

Now click on add transaction tab and a pop window will open. Select add credit option and add the payable amount to merchant account.

(**Credit:** When you want to give credit to the merchant for their commissions.)

The screenshot displays the bitFAT Deals dashboard. The top navigation bar includes 'DASHBOARD', 'DEALS/PRODUCTS', and 'COMPANIES'. The left sidebar shows 'Company' and 'Account Statement'. The main content area is titled 'ACCOUNT STATEMENT:' and shows a table with columns 'S N' and 'Particulars', currently displaying 'No records found.'.

A modal window titled 'ADD TRANSACTION' is open in the center. It contains the following fields and options:

- Debit:** When you actually make the payment to merchant.
- Credit:** When you want to give credit to the merchant for their commissions.
- Entry Type:** Radio buttons for 'Debit' and 'Credit'. The 'Credit' option is selected and highlighted with a red box.
- Amount:** A text input field containing '150', highlighted with a red box.
- Particulars:** A text input field containing 'Pay to Merchant', highlighted with a red box.
- Submit:** An orange button at the bottom of the modal.

In the background, on the right side of the dashboard, there is a green button labeled 'ADD TRANSACTION' highlighted with a red box.

Now this added amount will reflect in merchant account.

## Add a Deal

Admin can add a new deal from this tab. He/she have to fill all the proper information about the deal. Screenshot will be shown in next point. Admin have to enter all the information that is required during various steps in adding a deal.

There are following steps to add new deal:

- First Step
- Location
- Voucher Settings
- Categories
- SEO
- Charity & Commission
- Display Settings

## First step

Under this step admin has to add the title, subtitle and all the information which is mentioned in the form. The fields marked as asterisk cannot be left as blank. Deals image is an important field so that in front end deal can be look professional and attractive. After all information is entered, click submit button, if any error occurs system will show that one in red message, on successfully updating, system will show message in green.

The screenshot shows the 'First Step' form in the bitFAT DEALS admin panel. The form is titled 'First Step' and includes a 'SYSTEM MESSAGES' section at the top. Below this, there are several tabs: 'First Step', 'Location', 'Voucher Settings', 'Categories', 'SEO', 'Charity & Commission', and 'Display Settings'. The 'First Step' tab is active, showing a form with the following fields:

- Name: My new product \*
- Deal Sub-title: Description for My new product \*
- Deal Or Product: Product \*
- Deal starts on: 14-04-2015 04:34 \*
- Deal ends on: 24-04-2015 \*
- Original Price: 100 \*
- Discount: 10 % \*
- Bonus (Fixed Amount): 2 \*
- Commission (%): 2 \*
- The Fine Print: (Rich text editor)
- Description: (Rich text editor)
- Highlights: (Text area)
- Redeeming Instructions: (Rich text editor)
- Private Notes: (Text area)
- Deal Image: (File upload field with 'Choose file' button and 'No file chosen' text)

At the bottom of the form, there are 'Cancel' and 'Submit' buttons. A note at the bottom right states: 'Note: All the times are according to server time. Current server time is 14-04-2015 04:34'.

## Second Step: Location

In the location step admin have to select the city from dropdown in which he/she wants to add a deal.

Admin has to select company from dropdown list for which he would like to associate a new deal.

Admin have to select at least one address in case of multiple addresses. Admin can also select multiple addresses so that deal will be available on the selected addresses.

Capacity shows the number of vouchers which are available for purchase in the corresponding address. Screenshot is as follows:

PLEASE CHECK ATLEAST ONE ADDRESS AND ADD CAPACITY (Required)			
3030 Royal Blvd. South Suite 150 Alpharetta, GA Atlanta Georgia-30022 United States 30022	<input checked="" type="checkbox"/>	Capacity	50
4.1 stars - based on 6 reviews 1313 Valwood Pkwy Ste 320 Carrollton, TX 75006 75006	<input checked="" type="checkbox"/>	Capacity	50

Update

Click on update and we are in the next step of adding a new deal.

### Third Step: Voucher Settings

Under the voucher settings admin will see the following screen:

Step	Status
First Step	✓
Location	✓
<b>Voucher Settings</b>	✓
Categories	✓
SEO	✓
Charity & Commission	✓
Display Settings	✓
Attributes	✓
Shipping	✓

Voucher Valid From	09-06-2015 14:44	
Voucher Valid Till	22-06-2018 14:44	
Maximum Buy Quantity (Each User) *	<input type="text" value="49"/>	
<a href="#" style="background-color: orange; color: white; padding: 5px 10px;">Update</a>		

Admin have to select a date for validity of voucher by clicking the calendar icon. It is the time given to the real user to redeem his/her voucher and enjoys the deal.

**Minimum coupons sold to tip the deal:** Tipping point is the point which means minimum coupons purchased to redeem a particular deal. If the deal is not reached to its tipping point and ends, then it cannot be redeem and it is in hands of manager to refund the amount of the deal.

**Maximum buy Quantity each user:** It shows the maximum number of vouchers one user can purchase for e.g. if this number is 5 then user cannot purchase more than 5 vouchers no matter on how many locations deal is running on.

**Maximum buy quantity for each user:** Should not be Exceeded the total capacity. If any error is occurred during this step, system will show the error message accordingly.

Click on update and we are in the categories step.

## Fourth Step: Categories

The screenshot displays the 'Categories' configuration step of the Groupon Script setup. At the top, a navigation bar includes tabs for 'First Step', 'Location', 'Voucher Settings', 'Categories' (which is selected and highlighted), 'SEO', 'Charity & Commission', and 'Display Settings'. Each tab has a green checkmark icon. Below the tabs, the main area is divided into ten category panels, each with a title and a list of sub-categories with checkboxes:

- Beauty:** Jewellery, Massage, Fashion (Belts, Wallets, Watches, Sunglasses), Spa, Deodorants, Skin Care, Hair Care, Cosmetics.
- Sports:** Soccer Items, Tennis Items, Basketball Items, Other sports, Cricket Items.
- Food:** Snacks, Restaurants, Coffee shop, Pizza, Burger, Food DEAL.
- Travel:** Hotel Booking, Tours, Trekking (USA), Campaign.
- Health:** Medicines, Exercise kits (Routine Diet, Yoga and Meditation).
- Kids:** Toys, Clothes, Books.
- Cloth:** Casual & Party Wear (T-Shirts and Shirts, Coats and Blazers, Inner & Sleep Wear, Sarees, Suits, Jeans).
- Entertainment:** Movies, Albums, Musical Instruments, Music.
- Electronics:** Mobile Phones, Laptops, Computer Accessories, Cameras, Personal Computers.
- Gym:** Ab-rail machine, exercise machine, Gym equipments.

An orange 'Update' button is located at the bottom left of the category selection area.

Under this step merchant have to select the categories in which he/she wants to display a deal in the front end. One category is mandatory to select from these categories, otherwise system will show the error message "Please select at least one category".

Admin can select the multiple categories from here and so that it will see on the different categories in the front end.

Click on update button and see the next step.

## Fifth Step: SEO (Search Engine Optimization)

The screenshot shows a web interface for the 'Fifth Step: SEO (Search Engine Optimization)'. At the top, there is a navigation bar with seven tabs: 'First Step' (checked), 'Location' (checked), 'Voucher Settings' (checked), 'Categories' (checked), 'SEO' (active and checked), 'Charity & Commission' (checked), and 'Display Settings' (checked). Below the navigation bar, the form contains three input fields: 'Deal Meta Title' with the value 'Buffet Deal', 'Deal Meta Keywords' with the value 'Buffet Deal Lunch', and 'Deal Meta Description' which is empty. At the bottom of the form is an orange 'Update' button.

This step is necessary for the SEO information related to deal. Meta title, Meta keywords and Meta description are important to know about a particular deal and it also helps in searching a deal. It will also provide more opportunities of sales, as the user can enter the keywords in Google search and the deal matching with the keywords will come in the search result listings.

## Sixth Step: Charity and Commission:

The screenshot shows a web interface for the 'Sixth Step: Charity and Commission'. At the top, there is a navigation bar with nine tabs: 'First Step' (checked), 'Location' (checked), 'Voucher Settings' (checked), 'Categories' (checked), 'SEO' (checked), 'Charity & Commission' (active and checked), 'Display Settings' (checked), 'Attributes' (checked), and 'Shipping' (checked). Below the navigation bar, the form contains two input fields: 'Charity Organization' with a dropdown menu showing 'Student', and 'Charity Discount' with a text input field containing '10.00' and a dropdown menu showing 'Fixed Amount'. At the bottom of the form is an orange 'Update' button.

Under this step admin has an option, if he/she wants to give some money for charity by selecting the organization from the dropdown option.

**Charity Discount:** Admin can add amount he/she wants to donate to charity. 0 value mean no charity donation. Fixed amount is an amount that will donate to charity and % is a part of total price of a deal given to charity.

## Seventh Step: Display Settings

Step	Status
First Step	✓
Location	✓
Voucher Settings	✓
Categories	✓
SEO	✓
Charity & Commission	✓
Display Settings	✓

Side Deal	No
Is Instant Deal?	Do Not Display On Instant Deals F
Display in Recent Deals When Done?	<input type="checkbox"/>
Update	

Here admin can select the following given options:

**Side Deal:** Mark a deal as side deal apart from Main deal listing.

**Is instant deal ?:** If this option is selected from dropdown then deal will display in the instant deals section in the front end.

**Display in Recent deals when done:** On selecting this option, deal will show in the deals list in front end.

**Few parameters need to be remembered while entering a Deal:**

- For a deal Capacity must be defined if company has different locations then each checked/ active location must have capacity defined. If there are multiple addresses set then grand total capacity becomes sum of each address capacity.
- Max Coupons cannot be greater than total Capacity.
- Max Buy must be less than Capacity for a particular checked address.
- A deal will be tipped when Min Coupon set are purchased.
- Deal start /end dates are according to Server timings not according to desktop timings.
- Admin can set Commission (%) for a particular deal and can also add description of the deal along with highlights associated with a Deal.
- A Deal can be set for multiple categories also along with Deal image on the front end.

**Note:** Current server time is displayed against each deal in the admin panel.

## Add a product

Admin has to select product from drop down list. Please see below screenshot:

Step	Status
First Step	✓
Location	✓
Voucher Settings	✓
Categories	✓
SEO	✓
Charity & Commission	✓
Display Settings	✓
Attributes	✓
Shipping	✓

Name	T-shirt art *
Deal Sub-title	T-shirt art *
Deal Or Product	Product ▼
Deal starts on	09-06-2015 02:12 * [?]
Deal ends on	19-06-2015 00:00 * [?]
Original Price	150.00 * [?]
Discount	20.00 * [?] Fixed Amount ▼
Bonus (Fixed Amount)	0.00 * [?]
Commission (%)	2.00 * [?]

Following seven steps are similar to add a deal.

- First Step
- Location
- Voucher Settings
- Categories
- SEO
- Charity & Commission
- Display Settings

Please find below regarding 2 more steps we need to complete to add a product:

## Eighth Step: Attributes

Please find below the steps to add an attribute for a product

- 1) Admin need to select required option from the dropdown list. Please see below screenshot:

The screenshot shows the 'Attributes' step in the product setup process. The top navigation bar includes steps: First Step, Location, Voucher Settings, Categories, SEO, Charity & Commission, Display Settings, **Attributes**, and Shipping. Below the navigation bar, there is a dropdown menu currently set to 'color' and an 'Add Option' button.

- 2) On click “Add Option Value” it will add option value. For example: for color option there will **Red, White, Black** as Option values. Please see below screenshots:

This screenshot shows the 'Add Option Value' form. The 'color' dropdown is selected, and the 'Add Option Value' button is highlighted with a red box. The form includes fields for 'Option Value', 'Quantity', 'Parent Option Value', and 'Price'. There is also an 'Update' button at the bottom.

This screenshot shows the 'Add Option Value' form after adding a value. The 'Option Value' field now contains 'Red', and the 'Add Option Value' button is still highlighted with a red box. The 'Update' button is visible at the bottom.

color

Add Option

color

Required: YES

Select Parent Option : None

Remove

Option Value:	Quantity:	Parent Option Value:	Price:	
Red	25		+ 0.00	Remove
Red	15		+ 0.00	Remove
Red	20		+ 0.00	Remove
Add Option Value				

Size

Required: YES

Select Parent Option : color

Remove

Option Value:	Quantity:	Parent Option Value:	Price:	
L	15	Red	+ 0.00	Remove
L	5	Red	+ 0.00	Remove
L	5	Red	+ 0.00	Remove
Add Option Value				

Update

If there are more than 1 attribute then there is a **Parent Option** required to select **Parent Option Value**

- After add all the required option value, click on update to associate attributes with the products.

## Ninth Step: Shipping

Admin has to add Shipping type and charges for the product. Please see below screenshot:

The screenshot shows the 'Shipping' configuration step in the bitFAT Deals admin panel. The top navigation bar includes tabs for First Step, Location, Voucher Settings, Categories, SEO, Charity & Commission, Display Settings, Attributes, and Shipping (which is active). The main form contains two input fields: 'Shipping Type' with a dropdown menu set to 'Within USA' and 'Shipping Charges (For US)' with a text input set to '2.00'. An 'Update' button is located at the bottom right of the form.

**Reviews and Ratings:** These are the reviews and the ratings which were posted by the users on the deals.

The screenshot displays the bitFAT Deals admin dashboard. The top header shows the logo, a welcome message for the administrator, the date and time (2014-09-20 09:45:00), and links for 'My Account' and 'Logout'. A language selector is set to 'English'. The main navigation bar includes links for DASHBOARD, DEALS, COMPANIES/MERCHANTS, USERS, ADMIN USERS, CMS, SETTINGS, REPORTS, MESSAGES, and CLEAN DATA. The 'Deal Reviews' section is active, showing a breadcrumb trail: Home > Deal > Deal Reviews. Below the breadcrumb, there is a 'DEAL REVIEWS' heading and a table with the following structure:

S.N	Description	Rating	Action
No records found.			

- Admin have to approve these comments by clicking on approve button only then it will be displayed in the front end under that deal on which the review has been posted.
- Also admin can edit and delete the comment.
- Settings for who can post for deals reviews? Can be managed from General settings

## Language Settings

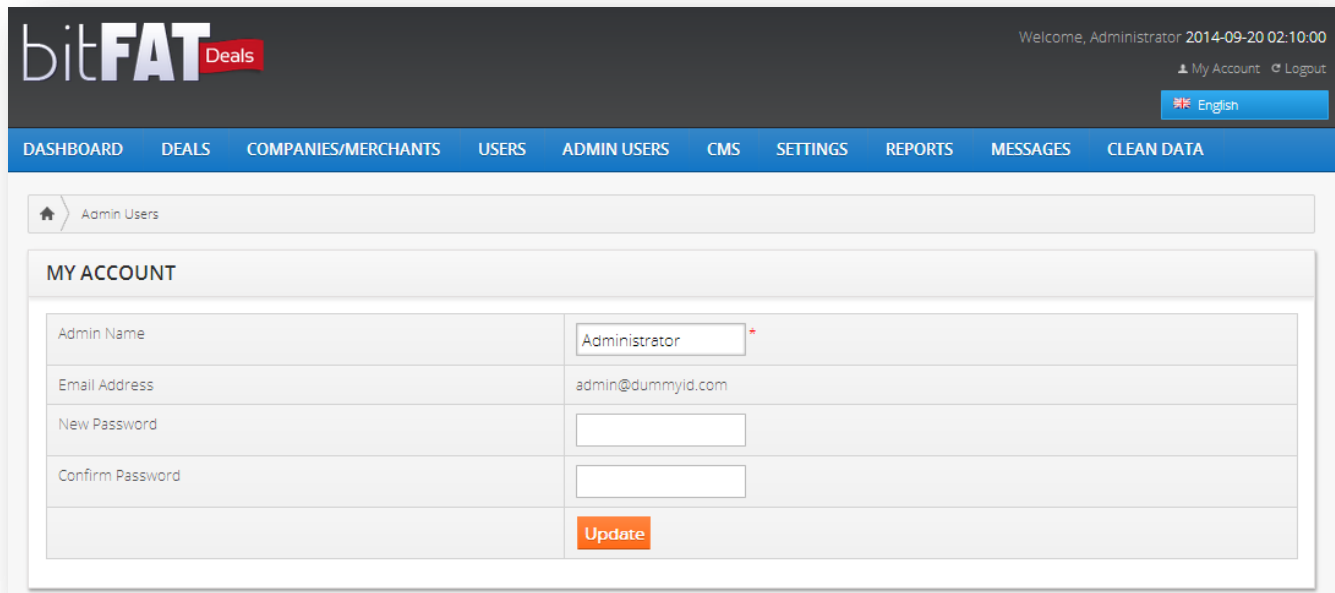

Administrator can click on top right side language dropdown and can change to second language: Spanish.

## My Account Settings

Administrator can click on My Account link in the header area and below screen is displayed:

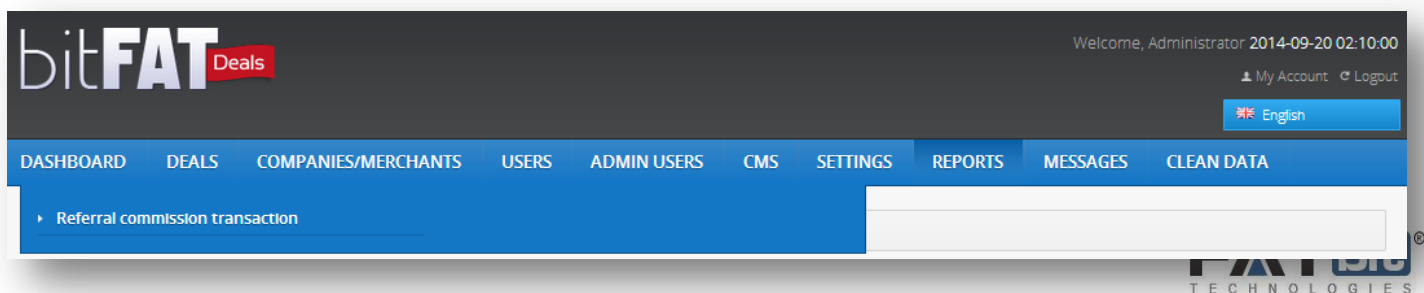

The screenshot shows the 'Admin Users' page in the bitFAT Deals admin interface. The top navigation bar includes links for DASHBOARD, DEALS, COMPANIES/MERCHANTS, USERS, ADMIN USERS, CMS, SETTINGS, REPORTS, MESSAGES, and CLEAN DATA. The 'ADMIN USERS' link is active. Below the navigation bar, there is a breadcrumb trail 'Admin Users' and a section titled 'MY ACCOUNT'. This section contains a form with the following fields: 'Admin Name' (containing 'Administrator'), 'Email Address' (containing 'admin@dummyid.com'), 'New Password', and 'Confirm Password'. An 'Update' button is located at the bottom right of the form.

Admin Name	<input type="text" value="Administrator"/>
Email Address	<input type="text" value="admin@dummyid.com"/>
New Password	<input type="password"/>
Confirm Password	<input type="password"/>
<input type="button" value="Update"/>	

Admin can update basic information name, email address and password.

The screenshot shows the 'Reports' page in the bitFAT Deals admin interface. The top navigation bar is the same as in the previous screenshot, but the 'REPORTS' link is now active. Below the navigation bar, there is a breadcrumb trail 'Referral commission transaction' and a large empty white box for data display. The bitFAT Technologies logo is visible in the bottom right corner.

Under reports referral commission transaction given to the referral users are shown. All the details of the referral users can be seen from the referral user's listings.

The screenshot displays the bitFAT Deals admin interface. At the top, the header includes the logo, a welcome message for the Administrator, the date and time (2014-09-20 02:11:00), and links for 'My Account' and 'Logout'. A language selector is set to 'English'. Below the header is a navigation menu with options: DASHBOARD, DEALS, COMPANIES/MERCHANTS, USERS, ADMIN USERS, CMS, SETTINGS, REPORTS, MESSAGES, and CLEAN DATA. The 'REPORTS' menu item is active. On the left sidebar, 'Referral commission transaction' is selected. The main content area shows a breadcrumb trail: Home > Reports > Referral commission transaction. Below this is a section titled 'REFERRAL HISTORY' containing a table with the following columns: S N, Amount, Credited To, Referred User, and Transaction date. The table currently displays the message 'No records found.'

S N	Amount	Credited To	Referred User	Transaction date
No records found.				

## Messages

This is a conversation between the merchant and manager messages through the system.

DASHBOARD	DEALS/PRODUCTS	COMPANIES/MERCHANTS	USERS	ADMIN USERS	CMS	SETTINGS	MANAGE MAILCHIMP	REPORTS	MESSAGES	CLEAN DATA
<div> <div> All Messages Unread Archived </div> <div> <p><b>NO MESSAGES</b></p> <div> <div>Hi Admin</div> <div>Posted On: Jun 22, 2015</div> <div>x</div> </div> <div> <div> <div>Posted By:</div> <div>Clean harbour</div> <div>merchant@dummysid.com</div> <div>98177456119</div> <div>3030 Royal Blvd., South Suite 150</div> <div>Alpharetta, GA</div> <div>Atlanta, Georgia - 30022</div> </div> <div>This is test message</div> </div> </div> </div>										

If new message received it will show the count of messages with the Message word

## Clean Data:

Clean data is used to Clean up the all database tables in the system by entering Master Password in the below screen

bitFAT Deals		Welcome, Administrator 2014-09-20 02:12:00							
		<a href="#">My Account</a> <a href="#">Logout</a>							
		<a href="#">English</a>							
DASHBOARD	DEALS	COMPANIES/MERCHANTS	USERS	ADMIN USERS	CMS	SETTINGS	REPORTS	MESSAGES	CLEAN DATA
<p><b>CLEAN DATA</b></p> <div> <div>Master Password</div> <div> <input type="password"/> </div> <div> <div>Login</div> </div> </div>									

## Sign Out

In order to sign out from account area or backend interface administrator can click on top right side header area link: **Logout**
