## Registered User Account Area Interface

Once signed up to create an account, user gets an email for verifying the account at his/her email address entered during signup registration form. See below email template:

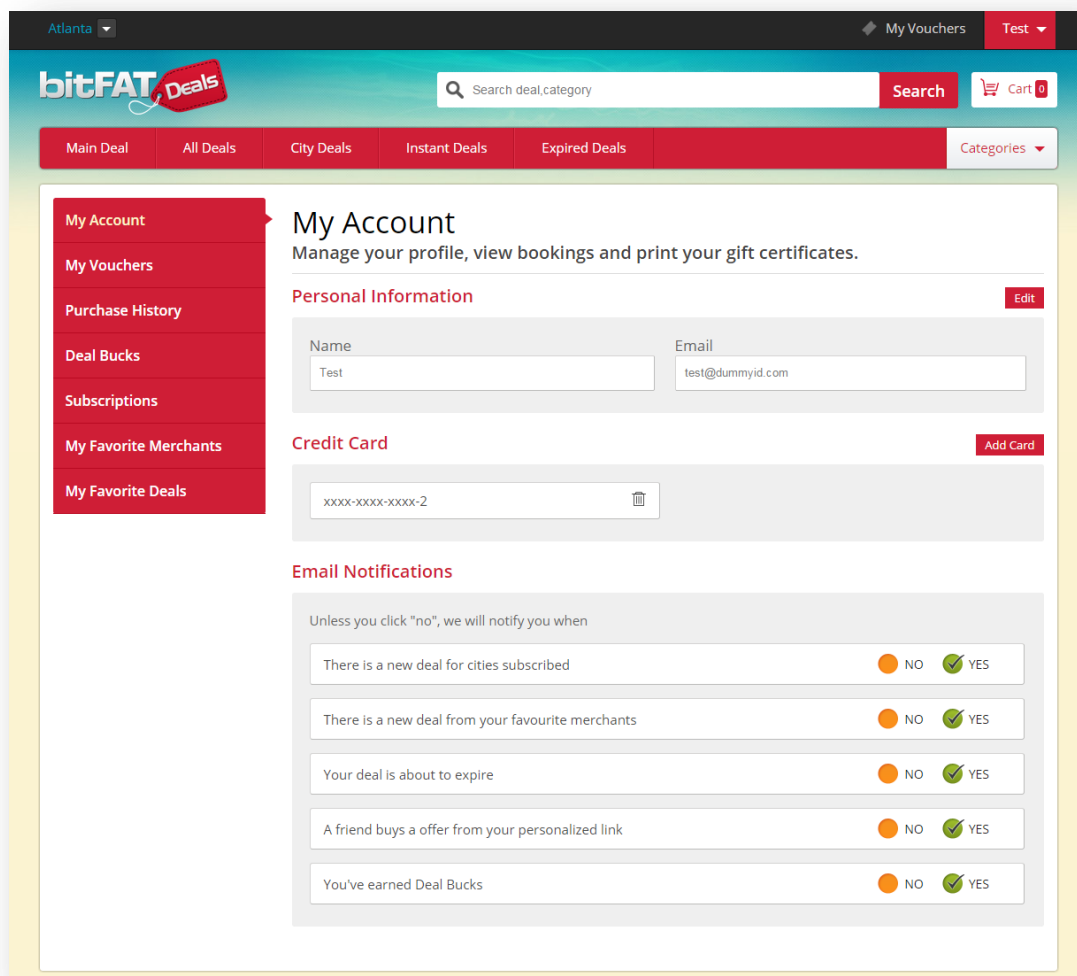

On clicking verifying your account button, user is logged into his account area automatically and is redirected to city entered in registration form.

Then clicks on **My Account** from the dropdown. See below screen which gets displayed:

After click on My Account the following screen will be displayed:

**On My Account screen:** Registered user can change his profile details like personal information by Clicking on edit button and can also set following email notifications:

- 1) Regarding deal expiration
- 2) Earned bucks on a deal
- 3) Referred friend buys a deal
- 4) New deal of subscribed cities
- 5) New deal from favorite merchants.

On clicking edit button, registered user can update/edit following fields like name, password etc. See below screen:

The screenshot displays the 'My Account' page on the bitFAT Deals website. A modal window for editing profile details is open, showing fields for Name, Last Name, Email Address, City of Interest, New Password, Confirm Password, and TIMEZONE. Below the modal, the 'Email Notifications' section allows users to opt-in or opt-out of various alerts.

### My Vouchers

Sort By: Purchase Date asc ▼

| Image   | Deal                           | Order Id      | Status  | Date             | Payment     | Price  | QTY | Tipped           |
|---|--------------------------------|---------------|---|------------------|-------------|--------|-----|------------------|
|  | Two Photofacials IPL in Alaska | G142630841680 | Paid<br> | 14-03-2015 10:16 | Credit Card | 20.00  | 1   | 14-03-2015 20:16 |
|  | Trekking                       | G142625358862 | Paid<br> | 13-03-2015 19:03 | Credit Card | 690.00 | 1   | 14-03-2015 05:03 |

**Tipped column** shows time at which deal is tipped. Here in above screen it is coming blank which means that deal tipping point (Minimum Coupons Sold to tip the deal) is set to more than 1 say 10. So when 10 coupons are sold then time of deal tipped gets displayed in the column: Tipped column for the registered user to view.

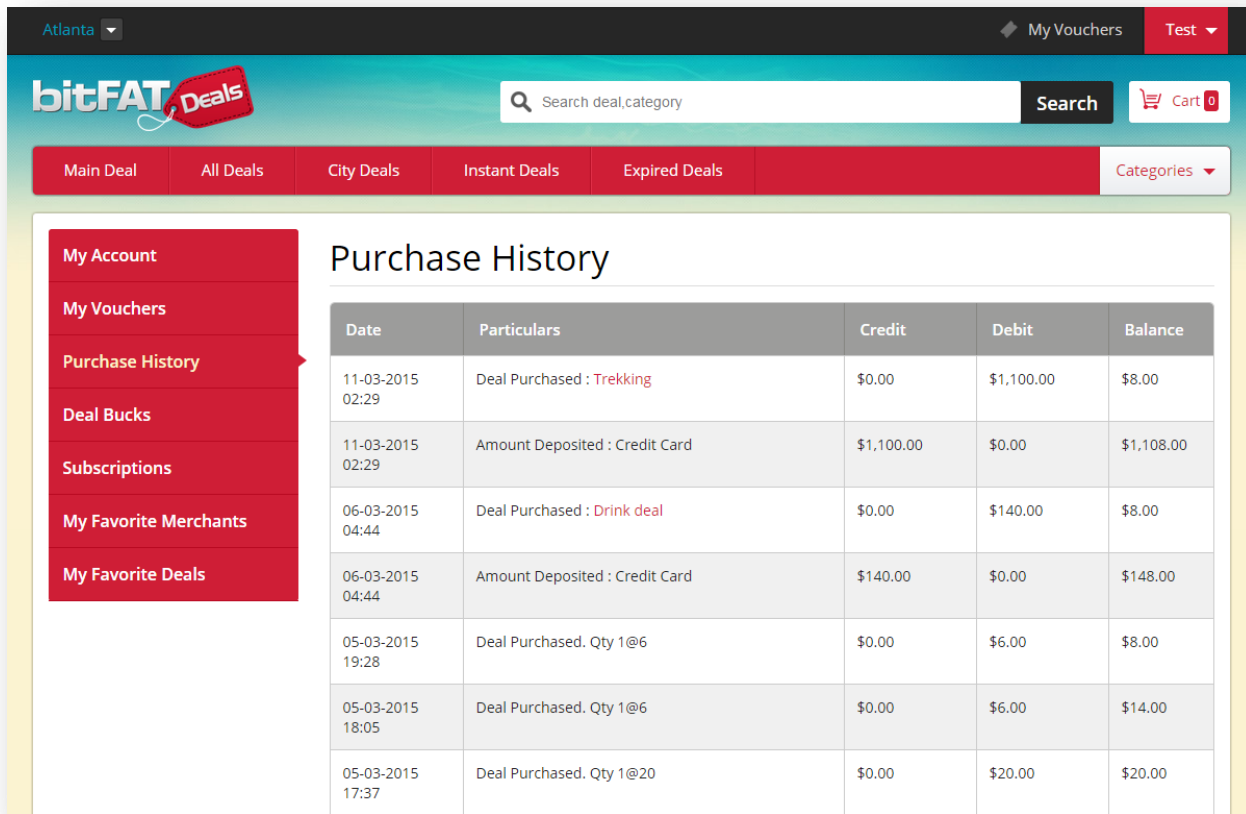

### My Vouchers

Sort By: Purchase Date asc ▼

| Image   | Deal                           | Order Id      | Status  | Date             | Payment     | Price  | QTY | Tipped           |
|---|--------------------------------|---------------|---|------------------|-------------|--------|-----|------------------|

| 06-03-2015 04:44 | Deal Purchased : <b>Drink deal</b> | \$0.00     | \$140.00   | \$8.00     |
| 06-03-2015 04:44 | Amount Deposited : Credit Card     | \$140.00   | \$0.00     | \$148.00   |
| 05-03-2015 19:28 | Deal Purchased. Qty 1@6            | \$0.00     | \$6.00     | \$8.00     |
| 05-03-2015 18:05 | Deal Purchased. Qty 1@6            | \$0.00     | \$6.00     | \$14.00    |
| 05-03-2015 17:37 | Deal Purchased. Qty 1@20           | \$0.00     | \$20.00    | \$20.00    |

Registered user can see Credit, Debit and Balance auto calculated like a bank statement.

**Deal Bucks:** These are just cash which are automatically added to next deal when purchased by the invited user. See below screen:

**Deal Bucks**

**What are deal bucks?**

Deal Bucks work just like cash for any BitFatDeals purchase (except gift cards). If you have them, they're automatically applied to your next BitFatDeals purchase.

**Want to earn more deal bucks?**

[Invite](#) to join BitFatDeals or purchase lots of deals - we've been known to treat our top customers with Deal Bucks rewards.

**Be A Referrer:**

**My Deal Bucks**

**\$0.00**

**More deal bucks can be earned** by inviting friends to join website or to purchase deals. See below screen:

**bitFAT Deals**

**Friends email addresses: (Separated with commas)**

**Your message:**

**SEND**

**Be A Referrer:**

**My Deal Bucks**

**\$756.00**

**Note:** Multiple email addresses can be added by comma separated and invitation with referral code is sent at the inboxes.

**Be A Referrer:** By providing referrer code so that when a new user through reference id or referrer code visits website and purchase a deal then referrer commission gets added to the account to which referral id belongs.

**My Deals Bucks** shows amount present in registered user wallet.

**Subscriptions:** On subscription screen, registered user can also subscribe for deal updates in multiple cities by selecting checkbox options against each city.
